About RiskRadar

RiskRadar is the Office of Risk Management and Compliance (ORMC)'s cutting-edge risk intelligence and sense-making capability. Launched in March 2022, RiskRadar serves as a cornerstone for horizon scanning that enables us to identify mega and macro trends by integrating media monitoring and social listening tools. It transforms conventional risk management at the National University of Singapore, providing expert insights and intelligence to allow for holistic decision-making amidst a fast-evolving landscape.
